Reconsideration of Library Materials Policy and Form

STATEMENT: The choice of library materials by patrons is an individual matter. While a person may reject materials for themselves, they may not exercise censorship to restrict access to the materials by others. The Naples Library recognizes that a diversity of materials may result in some requests for reconsideration.

PURPOSE: The purpose of this policy is to provide a procedure to assure that objections or complaints about library materials are handled in an attentive and consistent manner.

POLICY:

A. The person with the request for reconsideration should be referred immediately to the Director/Manager or to the person in charge in the absence of the Director/Manager. The person in charge should explain to the patrons that selections are made in accordance with the Collections Development Policy of the Board of Trustees of the Naples Library. If the user is not satisfied with the explanation received, he may ask for reconsideration in the following manner.

1. The person making the request for reconsideration must complete Reconsideration of Library Materials Form.
2. The Request for Reevaluation will be referred to a committee consisting of the Director/Manager and another professional Library person.
3. The committee will reconsider the item in question using the Collection Development Policy and reviews from recognized sources.
4. The Director/Manager will then write to the patron regarding the committee's recommended action. The reviewer's comments are to be held confidential by all concerned. Brief quotes, however, may be used in the Director's/Manager's letter to the patron.
5. If the patron desires further action he/she may appeal in writing to the Naples Board of Trustees.

This policy may be amended by the Naples Library Board of Trustees at any time.

Adopted by the Naples Library Board of Trustees on April 19, 2016.
